If you choose Option 1, have your patient sign the enrollment form in your office. You will then submit it to the Certified Pharmacy by e-mail, fax, or mail. For best results please use **Adobe Acrobat** to fill out the forms.

For Prescriber Use Only

PATIENT ENROLLMENT

If you begin patient enrollment online, your patient will receive an e-mail to complete his/her portions of the form, including an e-signature. Then, you will submit the form to the Certified Pharmacy. Both you and your patient will be notified when enrollment in the program is successful.
